“Ideas into Action” – Always coming up with new ideas but don’t know how to make them happen? Don’t have the funds to develop an idea into a viable business? We will teach you the tools that are necessary to launch your business and find sources of capital. In our workshop, you will develop an action plan that gets attention and delivers results.

QUESTION: I Have Lots Of Ideas, What Should I Do With Them?

ANSWER: Many very creative people do not know how to move from the idea stage to the product or service delivery stage...many have great ideas, but wait too long and someone else brings it to market...a painful missed opportunity!...

QUESTION: Where Do I Find The Money To Fund My Project Ideas?

ANSWER: This is one of the topics that is discussed in depth in the program – funding a project requires special steps to be followed and materials that need to be prepared. Our program teaches participants how to create the materials they need.

QUESTION: I Wouldn't Know Where To Start. Does The Program Address This?

ANSWER: Step by step, the program leads participants in the creation of the action plan they need. Timelines are set, necessary skill sets are identified – marketing, sales and financial strategies are identified.

QUESTION: What Do People Achieve By The End Of The Workshop?

ANSWER: An action plan and a business and marketing plan to take their idea from where it is now to the market...however, we advise people that this is an immersion learning workshop, with assignments required of participants – all who attend must have the time to develop their idea or project, and to create their action and business plan...

We invite you to join us at www.coachingprofessors.com where you can finally convert your idea concept to an idea reality – a product or service delivered to buyers. Attending our programs has now become easy and convenient.
