“Life Reflections” – Too busy to understand exactly why you’re here in the first place? Always running but unsure about where your going? What is your true “life purpose”? How do you want to be remembered? Take a fresh look at where you are, at the contribution you want to make to the planet and discover what's next for you in this lifetime. This workshop is designed for those who want to discover/confirm a new life philosophy and "Life Path".

QUESTION: What Do People Do In This Program?

ANSWER: Many of us at different times in our lives hear our internal voice asking some very interesting and important questions...what am I here for? Why do I feel bored and empty? What do I want to do with my life? Our workshop is designed to offer participants a safe and empowering environment where one can discover what he or she is here for and what is next in this life...a breath of fresh air...that is, creating the rest of one's life, exactly the way one wants it to be.

QUESTION: What Do People Get Out Of This Program?

ANSWER: It is interesting that most of the time, each participant gets something different – some acquire a renewed sense of inner peace, others a sense of urgency to achieve their life purpose, while some find a surprising level of new personal energy and excitement...

QUESTION: Who Should Attend?

ANSWER: While people of different ages, life styles and different nationalities and background have attended our workshops, a common thread joins them – the necessity to discover a clear vision of what their life should be...the exercises provided in this program allow participants to very specifically identify a "life-path" for themselves – examining what they have come to this planet to do and to decide how they want to leave it behind.

We invite you to join us at www.coachingprofessors.com to discover or confirm your life's purpose...through our online programs. Attending our programs has now become easy and convenient
